Electric Department

October 2011

The State of California passed legislation in the form of Assembly Bill 162, which requires load serving electric utilities to provide customers with a copy of the Power Content Label on an annual basis. Below is the current Label for the Banning Electric Utility, which represents its actual Power Mix for 2010. The CA Power Mix shows the breakdown for the State overall, and is shown for comparison. Please contact the Banning Electric Utility at (951) 922-3260 if you have any questions regarding this information.
